MISSIONARY MOMENT

Sasha & Sarah Hallock
New York City, CRU

In February we started our 6th residency program since 2019, welcoming three new artists, each from different congregations...

Dufie' grew up in Ghana and shares, *"My work comes from my perspective as a Christian raised in Ghana, where faith was not abstract but lived spoken aloud in prayer meetings at dawn,*

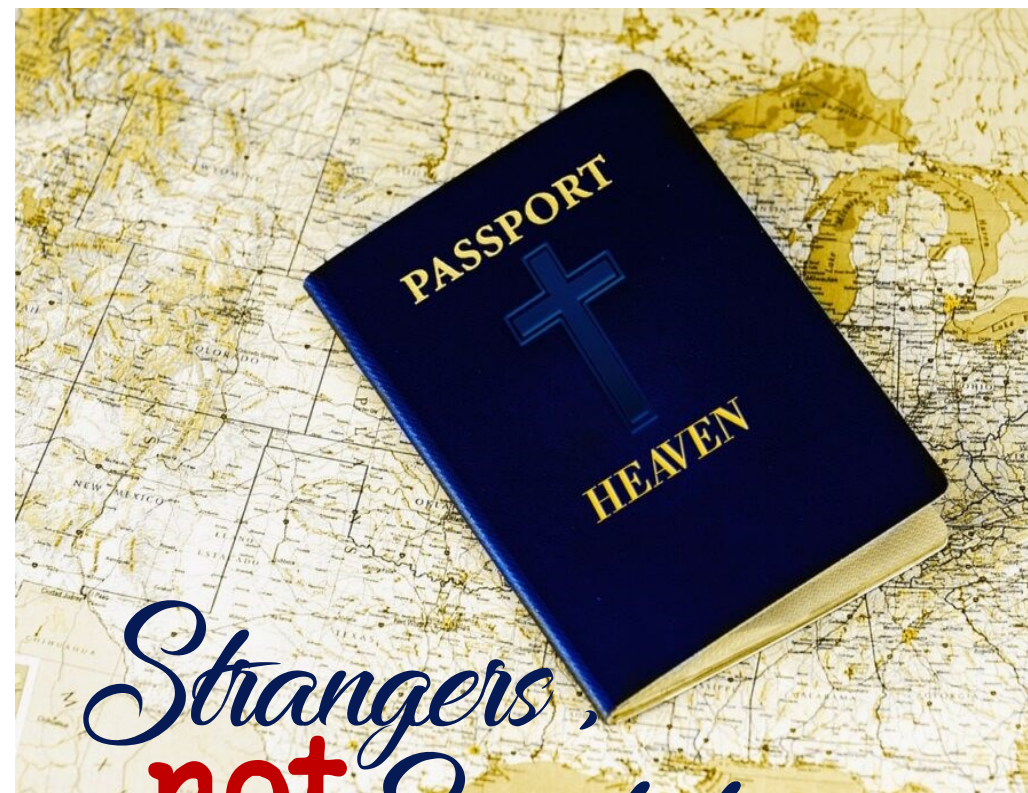

carried in song, whispered over children, and woven into daily life. I grew up understanding that the spiritual world was not distant... It moved through ordinary spaces. It shaped how we understood protection, endurance, and hope. I'm inspired by Hebrews 11:1 - 'Faith is the substance of things hoped for, the evidence of things not seen.' I treat absence as material. The figures in my paintings are often obscured, partially collaged, or suspended in unfinished space. This visual language reflects the nature of faith itself; substantial, yet unseen."

Thank you for investing in our family so we can invest in artists from all over the world like Dufie'. We pray that the gospel would "continue to spread and flourish" (Acts 12:24) through her presence in the art world. Please pray that each of our residents would encounter Jesus in new ways and be further equipped for their calling as artists through our time together. Thank you again for your generous partnership which sustains our ministry...
