MISSIONARY MOMENT

Newsletter excerpt from
Cathy Campobello, Colombia

On August 10th, a 7.4 magnitude earthquake hit Colombia, causing immense devastation. There were hundreds killed; thousands injured; 30,664 homes destroyed; 136,946 homes with structural damage; 302 buildings collapsed and the infrastructure of 3,470 schools, 4,971 community centers and 352 health care centers sustained damage.

The new president of Colombia took office on August 7th and his government has the huge task of rebuilding Colombia. Please pray for God's mercy, wisdom and strength for everyone as the country continues to work in the aftermath to provide essential resources, relief and recovery.

Praises and Prayers

- Praises for the grace of God on all my travels.
- Prayers for Colombia in the continued efforts to clean and restore the country after the quake; for those rebuilding lives and delivering aid to the victims as the hands and feet of Jesus.
- For wisdom for the government in planning the rebuilding of the homes and buildings and the infrastructure, among many needs.

***Grateful for every
ministry partner as
they continue to walk
alongside me until
I retire at the end
of November.***

Thank you, Cathy
