MISSIONARY MOMENT

Sasha & Sarah Hallock
New York City, CRU

One Saturday in September, while visiting art galleries in NYC with his family, Sasha experienced an unexpected divine appointment...

After running into an artist friend named Jeff, a conversation developed about destiny, faith, and God's sovereignty.

When Jeff asked whether Christians believe in destiny, Sasha explained that God works through both good and evil circumstances to accomplish His redemptive purposes, pointing to the biblical examples of Joseph and ultimately Christ's death and resurrection.

Read more in the full newsletter from the Hallocks about how God orders our steps and creates opportunities to share the gospel in unexpected places.
